

win win win!!

Win a day out mountain biking through the beautiful Perth Hills.

Roots and Shoots put in a massive effort last year to promote active travel to and from school. So much so that they were rewarded with a Mountain Bike excursion in Kalamunda.

We are fortunate enough to have 10 places still open and up for grabs.

All you have to do is ride your bike to school in Week 3 and give your name to a Roots and Shoots member before leaving school in the afternoon.

Roots and Shoots members will be at the bike racks at the end of the school day. All you have to do is make sure you give them your name when picking up your bike.

We will randomly select students from the list of names who will receive an invite to join us on the excursion.

Each day you ride your bike counts as an entry meaning you could have 5 entries into the draw by the end of the week.

Happy cycling and good luck!
