

# Bicycle Registration Form

---

The City of Cockburn in conjunction with WA Police, are promoting the D-lock bicycle lock crime prevention initiative.

Simply complete this form online, or in person at the Operations Centre, 52 Wellard Street, Bibra Lake.

When you register your bicycle, you will receive a FREE bicycle D-lock\*. You will also be given the opportunity to receive information about the City's TravelSmart scheme.

The serial number of your bicycle along with additional details will be recorded and all data will be stored in the City's database. Please note a separate registration form must be completed for each bike that you are registering. WA Police and the City of Cockburn will have access to the data.

If police locate a bicycle that is suspected stolen/lost, they can check the database and if registered, the bicycle can then be returned to the owner.

For more information regarding this initiative and any other crime prevention matter, please contact the City of Cockburn's Community Safety Officer on 08 9411 3444.
