

2019 Kalamunda Day Sustainability Scavenger Hunt

YOU WILL NEED:

A team of no more than 5 people.

1 Camera from the Sustainability Table (located in the T Block).

40 minutes to spare (30 minutes to take photos plus 10 minutes to sort your photos)

RULES:

Photos must be taken on the camera provided and NOT your phone.

You must start at and finish at the T Block.

You agree to having your photos used in school publications (as appropriate).

You must demonstrate KSHS Values whilst participating in the competition.

You must not leave school grounds.

Points will be awarded for clear images that correctly identify the item(s) or idea(s) suggested below.

The team with the highest overall score will win a prize.

POINTS:

Your team will get **5 points** for each approved photo that correctly identifies the item(s) or idea(s) on the list below. Use the map on the back of your sheet for hints on areas you could visit.

You also get **1 bonus point** for each member of your group that is in each of your approved photo.

Please note it does not have to be your face or your whole body – get creative!

You have a time limit of 30 minutes to take photos – for each minute you are late your group will lose half a point!

GROUP MEMBERS:

STUDENT NAME

MENTOR GROUP

1 _____

2 _____

3 _____

4 _____

5 _____

Time Started: _____

Time Returned _____

Raw Score: _____

Time Penalty: _____

FINAL SCORE: _____

LET'S GO! Try to take a photo that matches each of the following ideas. On the map below are some suggested locations to help you. Make sure your photo clearly identifies the object referred to. If you get stuck, as at the T Block for a hint!

1. We harness the energy from the rays of the sun.
2. We store water for not-so-rainy days.
3. Let's reuse the trees.
4. Native = waterwise
5. A safe place to store your wheels
6. We reuse words over and over and...
7. No single-use plastic needed here, drink up!
8. Put trash in its place.

Bonus Points! Each of the following answers is worth 5 points!

Charades: Mime an active method of travel and take a photograph.
 Not sure what's considered active? Find out at the sustainability table in the T Block.

Count It! How many student bikes are at school today? _____

Define: What is the definition of sustainability?

SmartRider: What happens if you forget to tag off?

Anagram: Unscramble the following letters:

ETNAIEHAMGLCC _____

NSITUAYLBTIAS _____

DLUAKNAMAYDA _____

INVOERENMTN _____

BONUS 25 points – Take a plastic bag and fill it with rubbish found around the grounds.
